

**WEST VIRGINIA MEDICAID  
PREFERRED DRUG LIST**

**PHASE I**

**Phase I will be implemented on January 7, 2003. Drugs included in Phase I are:**

DRUG CLASS	PREFERRED	NON-PREFERRED
PROTON PUMP INHIBITORS** <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>• lansoprazole (Prevacid)</li> <li>• rabeprazole (AcipHex)</li> </ul>	<ul style="list-style-type: none"> <li>• esomeprazole (Nexium)</li> <li>• omeprazole (Prilosec)</li> <li>• pantoprazole (Protonix)</li> </ul>
MINIMALLY SEDATING ANTIHISTAMINES AND COMBINATIONS <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>• desloratadine (Claritin)</li> <li>• loratadine (Claritin)</li> <li>• loratadine/pseudoephedrine (Claritin-D 12 hour, Claritin-D 24 hour)</li> </ul>	<ul style="list-style-type: none"> <li>• cetirizine (Zyrtec)</li> <li>• cetirizine/pseudoephedrine (Zyrtec-D)</li> <li>• fexofenadine (Allegra)</li> <li>• fexofenadine/pseudoephedrine (Allegra-D)</li> </ul>
LEUKOTRIENE RECEPTOR AGONISTS <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>• montelukast (Singulair)</li> </ul>	<ul style="list-style-type: none"> <li>• zafirlukast (Accolate)</li> <li>• zileuton (Zyflo)</li> </ul>
BETA AGONISTS (INHALED & PERORAL) <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>• albuterol/ipratropium MDI (Combivent)</li> <li>• albuterol HFA MDI (Proventil HFA)</li> <li>• albuterol syrup, tablets, CFC MDI, inhalation solution (generics)</li> <li>• metaproterenol syrup, tablets, inhalation solution (generic)</li> <li>• pirbuterol MDI (Maxair, Maxair Autohaler)</li> <li>• salmeterol (Serevent, Serevent Diskus)</li> <li>• terbutaline (generic)</li> <li>• levalbuterol inhalation solution (Xopenex)</li> </ul>	<ul style="list-style-type: none"> <li>• albuterol/ipratropium inhalation solution (Duoneb)</li> <li>• albuterol HFA MDI (Ventolin HFA)</li> <li>• albuterol inhalation solution (Accuneb)</li> <li>• albuterol SR tablets (Volmax)</li> <li>• formoterol MDI (Foradil)</li> <li>• metaproterenol MDI (Alupent)</li> </ul>
HISTAMINE 2 ANTAGONISTS <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>• cimetidine (Tagamet) generic only</li> <li>• famotidine (Pepcid) generic only</li> <li>• nizatidine (Axid) generic only</li> <li>• ranitidine (Zantac) generic only</li> <li>• ranitidine syrup (Zantac)</li> </ul>	<ul style="list-style-type: none"> <li>• famotidine orally disintegrating (Pepcid RPD)</li> <li>• famotidine suspension (Pepcid)</li> <li>• ranitidine 150mg (Zantac EFFERdose)</li> </ul>
ANTIMIGRAINE (TRIPTANS) <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>• almotriptan (Axert)</li> <li>• sumatriptan (Imitrex) all forms</li> </ul>	<ul style="list-style-type: none"> <li>• frovatriptan (Frova)</li> <li>• naratriptan (Amerge)</li> <li>• rizatriptan (Maxalt)</li> <li>• zolmitriptan (Zomig)</li> </ul>

DRUG CLASS	PREFERRED	NON-PREFERRED
ANTIINCONTINENCE AGENTS <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>flavoxate (Urispas)</li> <li>oxybutynin (Ditropan) generic only</li> <li>tolterodine (Detrol)</li> <li>tolterodine LA (Detrol LA)</li> </ul>	<ul style="list-style-type: none"> <li>oxybutynin XL (Ditropan XL)</li> </ul>
LIPOTROPICS, OTHER <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>cholestyramine (Questran) generic only</li> <li>cholestyramine light (Questran Light) generic only</li> <li>colestipol (Colestid)</li> <li>gemfibrozil (Lopid) generic only</li> <li>niacin ER (Niaspan)</li> <li>fenofibrate (Tricor)</li> </ul>	<ul style="list-style-type: none"> <li>colesevelam (WelChol)</li> <li>niacin ER/lovastatin (Advicor)</li> </ul>
GLUCOCORTICOIDS, INHALED <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>beclomethasone CFC (Vanceril)</li> <li>flunisolide (Aerobid, Aerobid M)</li> <li>fluticasone (Flovent, Flovent Rotadisk)</li> <li>fluticasone/salmeterol (Advair)</li> </ul>	<ul style="list-style-type: none"> <li>beclomethasone HFA (QVAR)</li> <li>budesonide (Pulmicort Turbuhaler)</li> <li>budesonide (Pulmicort Respules)*</li> <li>triamcinolone (Azmacort)</li> </ul>
BETA-ADRENERGIC RECEPTOR BLOCKING AGENTS <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>acebutolol (Sectral) generic only</li> <li>atenolol (Tenormin) generic only</li> <li>betaxolol (Kerlone) generic only</li> <li>bisoprolol (Zebeta) generic only</li> <li>carvedilol (Coreg)</li> <li>labetalol (Normodyne, Trandate) generic only</li> <li>metoprolol (Lopressor) generic only</li> <li>metoprolol XL (Toprol XL)</li> <li>nadolol (Corgard) generic only</li> <li>pindolol (Visken) generic only</li> <li>propranolol (Inderal) generic only</li> <li>propranolol LA (Inderal LA)</li> <li>sotalol (Betapace) generic only</li> <li>timolol (Blocadren) generic only</li> </ul>	<ul style="list-style-type: none"> <li>carteolol (Cartrol)</li> <li>penbutolol (Levatol)</li> <li>sotalol (Betapace AF)</li> </ul>
CORTICOSTEROIDS, NASAL <i>Implement 1/7/03</i>	<ul style="list-style-type: none"> <li>flunisolide (Nasalide) generic only</li> <li>fluticasone (Flonase)</li> <li>mometasone (Nasonex)</li> </ul>	<ul style="list-style-type: none"> <li>flunisolide (Nasarel)</li> <li>beclomethasone (Beconase, Vancenase)</li> <li>beclomethasone AQ (Beconase AQ, Vancenase AQ)</li> <li>budesonide (Rhinocort)</li> <li>budesonide aqua (Rhinocort Aqua)</li> <li>triamcinolone (Nasacort)</li> <li>triamcinolone AQ (Nasacort AQ)</li> </ul>
